## Prayer

**Please pray for Chris Simpson** (Angela Simpson's son & Rose Leech's nephew)

Chris is still currently in Kings, London but making good progress. Anita & her parents took him outside the hospital for a coffee yesterday. They are hoping if they can get the right care package in place for him he could go home - bypassing the need to go to Broomfield Hospital. So fantastic progress

Thanks again for praying & all the support

**Pray for Chris & Lew Dyer, Janice Basting, Ruth Wimpress and Irene O'Conner.**

**Please pray for Victor Jack** who is recovering from surgery

**Pray for Judy Steward** - now at home and making progress, but still awaiting decision on future treatment

**Pray for Enid recovering from a knee operation this week**

She is coping well on crutches and family are with them

**Pray for Simon Mattholie** recovering from surgery

**Pray for those in Ukraine** who are suffering because of the war. Pray for those compiling the facts about war crimes. Pray for safe passage for the grain being exported to relieve famine in the world.

**Pray about our response to the climate crisis** the world is going through and for changes in our behaviour that may reduce our impact on the world, particularly the world's poor who are adversely affected by us

### Live Wires

It has been decided to close Live Wires over the summer holidays to give the staff a well earned break from preparing and teaching. Activity packs will be available for any children that do come during this period. Our last session will be on Sunday 24th July and we will re-start on Sunday 4th September.

Thank you to all the team who work so hard to teach and nurture our children
