Oli's brain tumour recovery

Many of you have been praying for Oli, absolutely no pressure, but if you feel able you might be interested in supporting this GoFundMe, <https://gofund.me/8ef182a2>.

Even a small donation could help Seb Brett reach their fundraising goal. And if you can't make a donation, please continue to hold Oli and his family in your prayers.

Thanks
Kim

Bill Cole

Please pray for Elections in India

Christians in India are asking their global Church family to join them in praying into the nationwide elections beginning on 19th April until 1st June. Results on 4th June.

Freedom of religion or belief is a constitutional right in India, but Christians in many areas are under threat by Hindu extremists. This often involves violent attacks. India is 11th on the latest World Watch list.

For our brothers and sisters in India religious freedom is at stake in the coming weeks, as Hindu nationalists seek to press home their agenda. Indian Christians fear that the elections could lead to wider, even nationwide implementation of the anti-conversion laws that are often used to target believers.

Please see **Open Doors website** for its guide to praying for India and its Christians during the elections. It will be updated as they get information from believers in the country.

God rules over the nations Psalm 47:8

Please pray:

For peaceful, violence free campaigning and elections and that there will be unity among believers.

The people will be able to make informed voting decisions without being influenced by false or misleading propaganda.

For the protection of believers in India and ask the Holy Spirit to pour His peace into their hearts during this time.
