Message from Mary McClaren

I meet with a group for visually impaired people who meet in Stutton Village Hall on Shotley Peninsula once a month on a Wednesday afternoon. It is a great group for all the people who attend and tremendous fun.

Mo Clarke is a regular attender but unfortunately, her driver is having a hip replacement so is out of action at present

I tried John Wyman - Local councillor and he contacted the Parish Council but CSM does not have a voluntary driver scheme.

As we all know Mo well is there anybody in the Church who might be willing to take Mo for a couple of months while her driver recuperates.

If you can help, can you contact Mo directly please.
