## Setting up a Standing Order

Dear

Thank you for your willingness to set up regular giving to the church.

Please contact your own bank and arrange to set up a standing order to the following bank account:

Barclays:  
Capel St Mary Methodist Church  
Sort: 20-44-51  
A/C Num: 00168858

If you could include your surname in the "reference" that would be a help.

I would be grateful if you could drop me an email to confirm which account you have used, how much the standing order is for and on which day of the month it will be paid.

Please see also our Gift Aid form - if you are a tax player then please fill it in and return it and we will be able to reclaim an additional 25% on top of the donations you make.

Thanks once again for supporting the work of the church in this way and may God bless you for your generosity.

Emma Bowyer  
Treasurer.
